

## Terms of use for the trittec photos

As a trittec partner, trittec AG grants you an untransferable, non-exclusive right to use the photos. It is limited to the legally permissible advertising and information regarding trittec products to end customers and applies worldwide.

### Verwendung in Printmedien:

#### Use in print media:

The imprint of the print medium should contain a reference to the copyright, if possible:  
Images: © trittec AG

### Verwendung im Internet:

The images are to be marked with a copyright note in the Alt-text or title-tag of the image as follows:

**Image: © trittec AG**

```

```

```

```

A link to the trittec website is desirable. Always use the trittec logo. Here is an example:

The text can be selected freely. This linking can take place once on the web page for example in the imprint or on the homepage.

A use of the images in Internet without the copyright note in the Alt-tag of the image is not permitted.

### Forwarding/Sales/Downloads:

For reasons of licensing law, the image material may only be passed on to third parties with the written permission of trittec AG.

This also applies to the transfer to subcontractors or other persons/companies.
